

## DR SUSAN PHOENIX

Healer, light-worker and doctor of psychology Dr Susan Phoenix proudly launched her second book at Puerto Barus' Club de Mar, on September 13th this year. An enlightening account in to self-discovery, her book focuses on tapping in to the positive energies of the world. Entitled Out of the Shadows, Dr Susan Phoenix' account amazingly captures everything from living with terrorism to the psychology of grief. An inspirational account of life written with an intelligent combination of humour and candour.
